Do I need to PAIR a multi-function device to enable operation?

Installation · https://pixiepartners.com.au/support-docs/do-i-need-to-pair-a-multi-function-device-to-enable-operation/

Yes, you must PAIR the multi-function devices to allow operation of the multi-way switching. See the installation instructions for simple PAIRING instructions. (Press the master product button 4 times, press the multi-function button to pair 4 times. Done)
