Does the SAL PIXIE timer *STC/BT* require a PIXIE switch or dimmer to operate?

Installation · https://pixiepartners.com.au/support-docs/does-the-sal-pixie-timer-stc-bt-require-a-pixie-switch-or-dimmer-to-operate/

Yes and the timer devices need to be paired with a SAL Pixie master device to operate.

Here is the instruction manual for the STCBT

The PIXIE range also has a dedicated Smart Timer Switch - more information can be found here.
