How can I get some help?

Home Owner · https://pixiepartners.com.au/support-docs/how-can-i-get-some-help/

We have a number of ways to receive assistance with PIXIE, whether you are an electrician, home owner, architect, builder or wholesaler.

First you can use this online help area.

Second you can call the PIXIE TOLL FREE Support Line: 1800 256 843

You can also find all of the PIXIE Datasheets and installation manuals here:

- **https://pixiepartners.com.au/downloads/**

You can also request access to the PIXIE Facebook Technical Support group:

- **https://www.facebook.com/groups/pixietech**

You can even get a free PIXIE Smart Home Design, simply by submitting your house plans:

- **https://pixiepartners.com.au/free-pixie-smarthome-design/**
