How many users can I have controlling a SAL PIXIE HOME?

Gateway · https://pixiepartners.com.au/support-docs/how-many-users-can-i-have-controlling-a-sal-pixie-home/

For SAL PIXIE installations, a maximum of one (1) user per device up to a total of ten (10) users is allowed in a SAL PIXIE HOME.

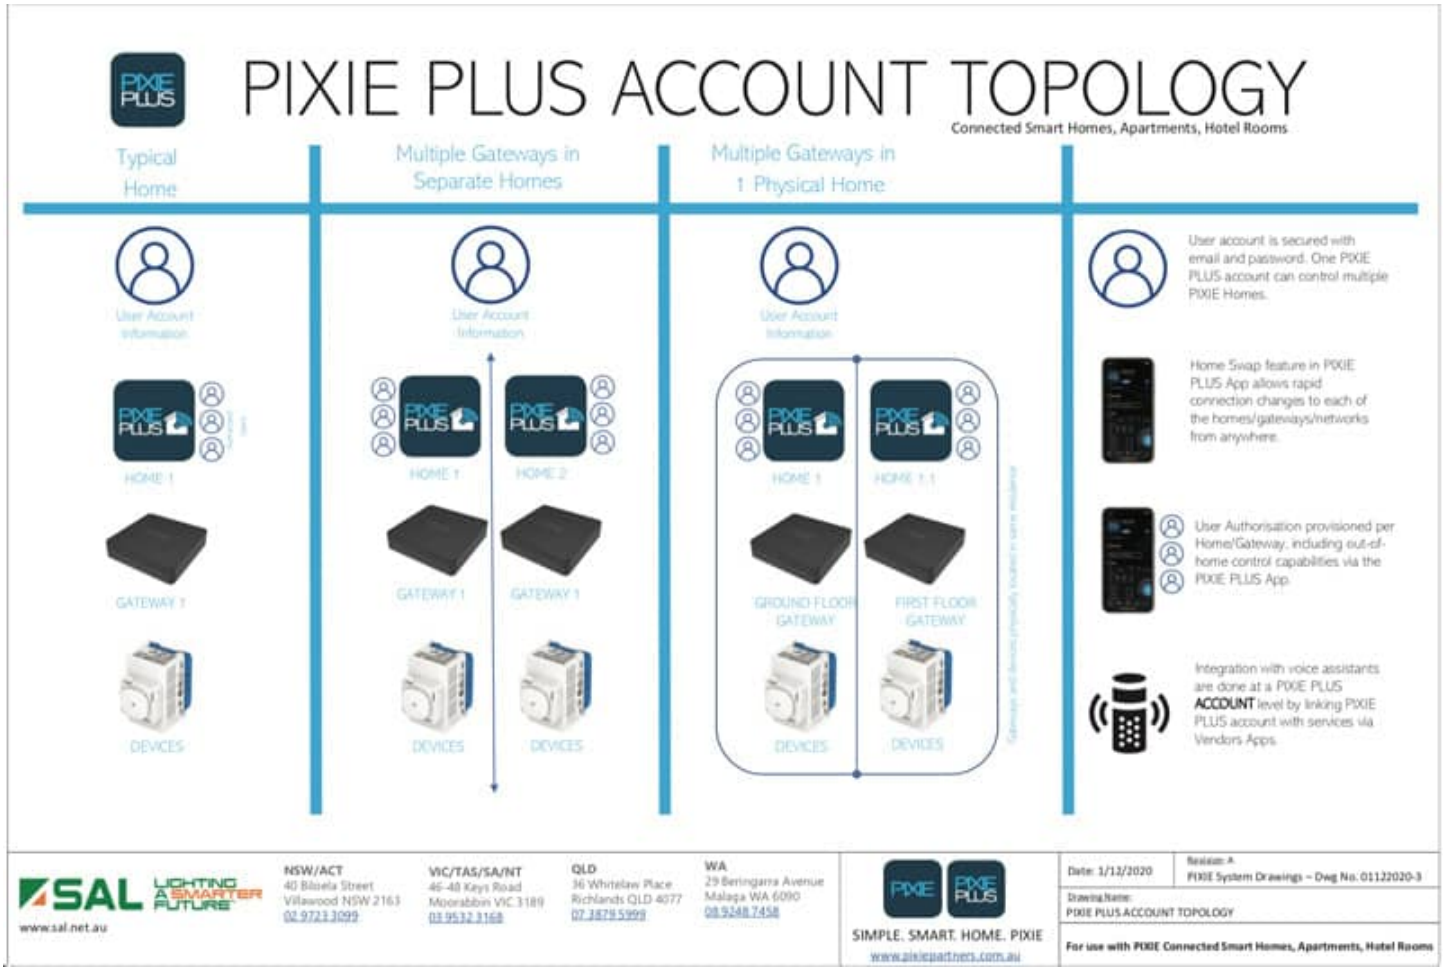

When using the PIXIE Gateway (SGWBT), and the PIXIE PLUS App - it is possible to have an unlimited number of users with differing levels of access and control.

Read this BLOG post for more information about how to use the PIXIE PLUS App to add more users:
