> Using the SAL PIXIE App and PIXIE PLUS Apps for iOS and Android its possible to sync your PIXIE LED Strip kits to the music downloaded and stored on your device only.

This feature does not currently (March 2023) work with streaming services on any kind.

This works only with the following part numbers:

FLP12V2M/RGBBT - 2 metre RGB Strip KIT

FLP12V5M/RGBBT - 5 metre RGB Strip Kit

UPDATED: DECEMBER 2023:
PIXIE PLUS users with Gen3 Strip Kits can sync their strip kits to Spotify. Please check for a firmware update to both your strip kits and PIXIE Gateway
