Is it possible to control the USB port on the PIXIE smart plug seperate to the power socket?

Switches · https://pixiepartners.com.au/support-docs/is-it-possible-to-control-the-usb-port-on-the-pixie-smart-plug-seperate-to-the-power-socket/

Yes, in the App you can choose to both control these seperately and each can be scheduled seperatley too.
