PIXIE button engraving and labelling

Installation · https://pixiepartners.com.au/support-docs/pixie-button-engraving-and-labelling/

PIXIE does not provide button labelling or engraving services for standard PIXIE switch caps.

As of October 2026 we are exploring a pre-defined set of button cap icons specifically for PIXIE Ambience wall plate button caps so when users choose PIXIE Ambience plates they have a small range of iconized button caps which can be purchased separately.

These are currently under test and we expect full release in 2027.
