THE AIR MOVEMENT SPECIALISTS

Introducing

Fanlink PIXIE

The new way to control your Skyfan

Skyfan DC
The future in fans

Introducing the Ventair FanLink controller, the new high-tech way to control your Skyfan. Simply plug the controller directly into the port in your fan receiver, download the free PIXIE app and you've unleashed ulimate control of your Skyfan ceiling fan.

Enhance your SkyFan with the PIXIE Multifunctional Rotary Controller. This digital dial combines traditional convenience with modern features like customisable smart actions and multiple control points for a single fan in an easy to install package.

SMFR/BTAS Sold Separately at Branch

Control your Skyfan by PIXIE Touch Panel, App, Wall Controller* or Voice**.

WORKS WITH PIXIE

*STP54BTAS Sold Separately at Branch   **Voice controls require PIXIE PLUS
