

PIXIE. Best of PIXIE Programme

Homeowner Media Release and Consent Form

Your installer has completed a PIXIE smart home system in your home. PIXIE would love to share your project as a case study — recognising your installer for outstanding work and helping other Australians see what's possible. Please read, tick any preferences, and sign below.

PROJECT DETAILS

Installation address: _____
Suburb and state: _____
Approx. completion date: _____
Installer name: _____
Installer company: _____

WHAT YOU ARE AGREEING TO

By signing this form, you give SAL National Pty Ltd (the company behind PIXIE) permission to:

- ✓ Use photographs and video of your home and PIXIE installation across PIXIE websites, social media channels, and wholesale partner collateral.
- ✓ Publish a case study about your project on pixiepartners.com.au and pixieplus.com.au.
- ✓ Feature your project in the Best of PIXIE and PIXIE Home of the Year recognition programmes.
- ✓ Retain and use this content on an ongoing basis to promote PIXIE products and services.

PIXIE will not identify your personal details in published content without your permission (see choices below).

YOUR CHOICES — TICK ANY THAT APPLY

- Keep my street address private. Use suburb and state only in all published content.
- Keep my face and the faces of household members private. Do not use identifiable images in published content.

Your rights — You may request removal or amendment of published content at any time by emailing partners@pixiepartners.com.au. Personal information is handled under the Australian Privacy Act 1988. Full privacy policy: pixiepartners.com.au/privacy-policy/

HOMEOWNER CONSENT

I have read and understood this form. I give permission for SAL National Pty Ltd to use content from my PIXIE installation as described above, subject to any preferences I have indicated.

Full name	Signature	Date
_____	_____	_____

For installer use — retain a copy of this signed form and upload it with your Best of PIXIE submission at pixiepartners.com.au/best-of-pixie/submit/
